

GAS CHEESE MELTER

QUEST Model QCM

QUEST's QCM unit is a salamander with a three position slide out wire rack. With efficient infrared gas burners, it has a 10 second warm up time and distributes even heat. Stainless steel sides, top and front are standard construction. The heavy duty QCM comes in three standard sizes. This unit can be mounted on a range, wall or counter and is easily serviced from the front.

QCM 36
MODEL ILLUSTRATED

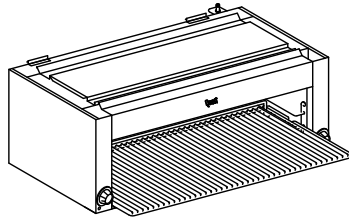

Product Features

- Throttles to extremely low heat
- Versatile and durable
